Miss Kern County Pageant

The Miss Kern County Pageant was established in 1918. The "Kern County Pageant" is a community-based pageant serving "Kern County" with the mission of furthering the educational goals of women and girls in Kern County. The Kern County pageant is a platinum member of the California Legacy Pageant Productions. This year, the Miss Kern County Pageant is Celebrating 104 Years! "Working Beyond the Crown" Our service is our legacy.

Our mission is to encourage and elevate women through personal growth by furthering the education of women in our community through Faith, Family, Education, Service, Philanthropy, Community.

The Organization focuses on giving back to the local community through outreach by building and maintaining positive relationships. Partnering with service organizations, businesses, and other community partners to continue making Kern County a great place to live. By uniting and strengthening our communities through advocacy and education that develops a better community and benefits all its members' quality of life.

Miss Kern County is more than a beauty pageant. It is "community." We serve with passion through our hands-on approach. We help organize change through education, community service, philanthropy, faith and family. The Miss Kern County Queens serve for one year by working and making appearances at special functions, participating in community service projects and events throughout Kern County. As community influencers and leaders, we collaborate within the community in order to inspire, promote and create positive social change and a healthy lifestyle that nurtures and develops our community members.

We serve, prepare and advocate for the Kern River Valley and Kern County communities. We are an inclusive program welcoming all women and girls. No matter what their journey, their story has value! Together we rise through service and education which provide a better foundation for our community. "We are Stronger Together"

The Miss Kern County Organization is blessed by Helping Hands, Having Compassion, Making A Difference, Through Faith, Family, Education, Philanthropy, Service & Community.
